COURAGE—AND DOUBLE TALK

The recent exploit of an American flying lieutenant who single-handedly—and without permission—flew a giant Liberator bomber through heavy storms to blast the big Jap base of Rabaul, furnished a remarkable exhibition of courage—and double talk.

The courage, of course, was the flyer's. He successfully completed a job that ordinarily requires six or seven skilled airmen. The double talk came from his commanding General who said, "In one brief mission this young man has set for us both a very bad example and a most brilliant one."

But what else could a commanding officer say? American youth is brave to the extent of foolhardiness at times. But it is this very daring—doing the thing that can't be done or even shouldn't be done—that makes our men the fighters that they are.

The general made it clear that "such unauthorized and ill-advised efforts will positively be prohibited in the future," while in the same breath he declared, "His courage and determination to come to grips with the enemy are a source of pride and inspiration to all of us."

Well said, general! Well done, lieutenant!

SIMPLE—VERY SIMPLE

Nothing could be more simple than a shoe lace—so we thought. However, the "GI" description makes it a trifle complicated by stating that it "consists of a manually operated length of string joined together by stitching so as to form a superficially broad-surfaced-appearing ribbon of rugged texture."

Is that what we use to keep our shoes on?

CITY COUNCILMEN

Daly City has a LOW tax rate, and this has not been at the expense of improvement and progress. We are proud to stand on our record of honest, efficient and economical administration of civic affairs.

During our terms as city councilmen, among the permanent improvements we have helped obtain for local residents are the new city hall, extension of fire alarm and water systems, extension of street paving, beautification of Marchbank park and construction of one of the finest baseball fields in the state, completion of Lincoln playground, radio system for modernization of the police department, improvement of the public library, and other steps for the safety and convenience of our people.

Another major achievement was the establishment of our new fire department, a model of efficiency and maximum protection. This was accomplished by cooperation by our council with the fire underwriters, resulting in the improvements' total cost being more than offset by lowered insurance rates within the city.

All these improvements have been paid for out of general funds and bond issues voted by the people, and in every instance Daly City received full value for every penny spent.

SOMETIMES desserts are a problem this time of year, aren't they? Except for the familiar stand-bys, it's hard to find exciting fresh fruits—and yet, there are lots of easy-to-make, mouth-watering, month-of-March desserts! For example, (and the surprising thing about this one is that it *makes its own sauce* while it cooks):

BAKED FUDGE PUDDING

1 cup enriched flour	2 tbsps. melted shortening
2 tsps. baking powder	1 cup coarsely chopped walnut meats
¼ tsp. salt	1 cup brown sugar, firmly packed
¾ cup sugar	1¾ cups hot water
5½ tbsps. cocoa	
½ cup milk	

Sift and measure flour; sift with baking powder, salt, sugar and 1½ tbsps. of the cocoa. Add milk, shortening, and nut meats; mix well. Spread into well-greased cake pan (8 x 8 x 2). Combine remaining cocoa and the brown sugar; sprinkle over top. Pour hot water onto tablespoon, allowing to overflow onto mixture. Bake in moderate oven (350° F.), 45 minutes, or until done. May serve warm or cold with pour cream or sweetened whipped cream. Serves 8.

Just to show you that the problem of making good desserts right at the beginning of spring is nothing new, here's an old solution that's still full of palate-tickling virtues:

MY MOTHER'S LEMON BREAD PUDDING

3 cups milk	½ tsp. nutmeg
3 cups bread, broken into small pieces	1½ tsps. grated lemon rind
3 eggs	½ tsp. lemon extract
1 cup sugar	

Pour milk over bread; let stand until bread is well soaked, about 20 minutes. Add slightly beaten egg yolks, ⅓ cup of the sugar, nutmeg, and lemon rind. Beat thoroughly with rotary beater. Pour into 1½ quart, well-greased baking dish. Bake in pan of hot water in slow oven (325° F.) about 1 hour and 20 minutes, or until slightly brown and pudding begins to leave sides of pan. About 15 minutes before pudding is done, make meringue by beating egg whites just until stiff. Add remaining ⅓ cup of sugar, 1 tbsp. at a time, beating until well blended after each addition. Continue beating until mixture holds a peak. Add flavoring. Pile on pudding and return to oven. Bake in moderate oven (350° F.) about 15 minutes longer, or until meringue is brown. Chill; serve with spoonfuls of red jelly on meringue. Serves 6.

And of course there are ingenious ways to use packaged puddings and home-made cornstarch puddings, in making out-of-the-ordinary desserts. They can be glamorized, for instance, by:

1. Pouring over cupcakes, or left-over cakes—
2. Putting layers of graham crackers and pudding mixture in a well-buttered deep pan, and topping with jam, marmalade or preserves—
3. Using as pie or tart fillings in baked pie shells.
4. Using as cake frosting, and sprinkling with chopped nutmeats.

"Date Conscious"? You'd Better Be--

Here is a list of those ration dates, which make calendar-watchers of all local housewives, motorists, or, in fact, anyone who wishes to eat, drive his car, or buy an occasional pair of shoes.

October 31—shoe stamp 18 (in War Ration Book One) was to have expired but OPA extends expiration date until April 30, 1944.

November 1—Book Three "airplane" series stamp No. 1 became valid; good for one pair of shoes until further notice.

January 16—sugar stamp No. 30 in War Ration Book Four became valid and will be good for buying 5 pounds of sugar indefinitely.

February 27—began use of red and blue tokens for change.

February 27 — blue stamps A8, B8, C8, D8, E8 (Book Four) to be used with ration tokens came into use for processed foods.

February 27 — red stamps, A8, B8, C8 (10 point value each) in Book Four became valid, good through May 20 for meats, fats, cheese, butter.

March 12—red stamps D8, E8, F8 (Book Four) became valid for purchase of meats, oils and fats.

March 20, 1944—brown stamps Y and Z (Book Three) expired.

March 20—green stamps K, L, M, Book Four, for processed foods, expired.

March 21—gasoline coupons A No. 10 expired.

March 22—"A" gasoline coupons No. 11 became valid.

March 31, 1944 — deadline for inspection of tires for A book holders.

April 1—stamp No. 31 in Book Four becomes valid for purchase of 5 pounds of sugar.

April 1—blue stamps F8, G8, H8, J8, K8 become valid for purchase of processed foods; good until June 20.

April 30—stamp 18, Ration Book One, for one pair of shoes, expires.

May 1—another ration stamp will become valid for purchase of one pair of shoes.

May 20—blue stamps A8, B8, C8, D8, E8 for processed foods (Book Four) expire.

May 20—red stamps A8, B8, C8, D8, E8, F8 for meats, oils and fats (Book Four) expire.

May 31—tire inspection deadline for C coupon holders.

June 20—blue stamps F8, G8, H8, J8, K8 for processed foods (Book Four) expire.

June 30—tire inspection deadline for B coupon (gasoline) holders.

BROWN POINTS FOR WASTE FATS

For every pound of fat a housewife turns in to her meat dealer or other fat salvager, she receives two meat points. "But most important," Herbert M. Faust, director of WPB's Salvage division said, "within a month the fat will be transformed into war materials and on the way to the fighting fronts." He reminded housewives to save the grease from turkeys, geese, ducks, and chickens, for the manufacture of war products.

CANNING SUGAR NOW AVAILABLE

Housewives may now get 5 pounds of canning sugar by using Stamp No. 40 in War Ration Book Four, OPA has announced, and additional canning sugar later will be available on application to local boards. Stamp No. 40 will be good 13 months, through February 28, 1945.

BETTER GOVERNMENT CLUB ENDORSES

EDWARD J.
DENNIS

BURTON (BERT) L.
MERITT

FOR CITY COUNCIL

IN A PUBLIC RESOLUTION JUST ADOPTED BY THE DALY CITY BETTER GOVERNMENT CLUB, FOLLOWING A SURVEY OF CITY GOVERNMENTAL CONDITIONS, THE CLUB REPORTS ITS MEMBERS HAVE ENDORSED DENNIS AND MERITT IN PREFERENCE TO THE TWO INCUMBENTS SEEKING TO RETAIN THEIR JOBS, BECAUSE - - -

"WE FIND - - - -

1. "An increase of virtually 36 per cent in the city's tax rate.

2. "Hundreds of thousands of dollars credited to the purchase and maintenance of parks and playgrounds, and with little or no such facilities available to the public, except at the high school playground for which the city government pays nothing.

3. "Not a single step has been taken toward providing retirement security for city employees, despite the fact the city has an ordinance requiring that such a system be set up, and in direct defiance of a mandamus order from the county superior court that such a plan must be adopted as the ordinance requires. Virtually every city in the county and state the size of Daly City has such a merit system and retirement program.

4. "The people of this city are being forced to pay nearly 7½ cents for a water reserve fund, when the city water works nets the city more than $30,000 a year after all expenses, including garbage collection, are paid.

5. "That the city council in 1940 when both incumbents were in office, went absolutely contrary to the wishes of the people in the expenditure of monies raised by bond issue for improvement of the fire department, and as the result proper equipment is not even yet available to the fire department, despite the fact we have passed through some very threatening times, when the equipment sought would have proved invaluable in case of bombing or sea attack, and the menace is not yet over.

6." In 1938, when both incumbents were on the council, and the city passed a bond issue to augment federal funds available to build a new city hall, the incumbents were so shortsighted and apparently incapable, they constructed a city hall smaller than the old one, despite the fact that adequate federal funds were available for a city hall to meet the city's needs for years to come. As a result of the shortsightedness and incompetence, valuable city records are now being kept in private homes without the protection necessary for their indefinite preservation as required by law and expedience.

7. "The two incumbent city councilmen are playing politics with the social and economic well-being of our city employees by their arbitrary and consistent refusal to grant all city employees a living wage to meet the unusual high costs of the times.

8. "The most ridiculous of all their acts is undoubtedly the installation of a radio system in the police department which enables patrol cars to contact the station, but the station cannot contact patrol cars. In an emergency it would be difficult to receive speedy aid because of this incompetency.

9. "Last, and most important of all, we find not a single step has been taken toward Daly City's post-war period, while cities all over the nation are planning intelligent programs to provide employment and assistance to those who will need it during the change-over, when there is no more war industry."
